CONGDON'S WHOLESALE
NORTH COLLINS, N. Y.
Wholesale Price List

Many items of small fruits are showing up somewhat scarce and many of our customers will want to place their orders for anticipated Spring needs at an early date. All stock listed is graded to a high standard. With the exception of raspberry tips all stock is in storage. The raspberry tips are available for late Fall shipment.

More favorable prices are available where a large amount of a single item is desired or where the aggregate order runs into a considerable amount. All stock is quoted subject to prior sale. Packing extra at cost. Grade counts available later.
